Dear Parents/Guardians:

It has come to our attention that some of our students have been or will be participating in overnight trips organized by travel companies that target teenagers. Some of these trips are called "S trips".

I am writing to inform you that these trips are in no way organized or sanctioned by Earl Haig Secondary School or the Toronto District School Board. This means that Students are not supervised by teachers. Please know that trips that are school sanctioned require a permission from and parent/guardian signature. Overnight trips, run by our school, will also require a parent meeting before hand to review the trip itinerary and school code of conduct. If parents are unsure about whether a trip is school sanctioned then they can call the school directly or check our school website at [www.earlhaig.ca](http://www.earlhaig.ca).

As you know, the safety of our students is always a top priority. I want to emphasize to all our students and parents the importance of awareness and the need for extra care in even the most ordinary and everyday routines. We hope that this information will assist you when making decisions about your child participating in these trips.

If you have any questions or concerns, please do not hesitate to contact the school.

Sincerely,

*Renata Gonsalves*
