

Mathematics Pathways

PLEASE NOTE: students can still apply for non-math related programs in University without a grade 12 U-level math course.

MHF4U or MCV4U if taken individually are offered as full year courses. Students wishing to take both MHF4U and MCV4U must take the package called AFCALC.

*Criteria for Enriched courses: recommendation by current teacher, participation in math contests and excellent math marks. Students should show a genuine love for math and are willing to take the initiative to learn topics more in depth.
