*Rests must be fitted into a bar so that the beats can be seen clearly.
*Generally, no rests greater than one beat should be used.
*A beat should be completed with the greatest rest value possible.
*In 4-4 or 4-2 time a half rest <u>may</u> be used for beats (1 and 2) or beats (3 and 4) <u>but not</u> for beats (2 and 3).

*Each beat must be completed before the next beat can begin:
*Each part of a beat must be complete before the next part begins.   Beat 1   2   3   4
