

lesson 24

WHOLE STEPS

WHOLE STEP A whole step is composed of two half steps.

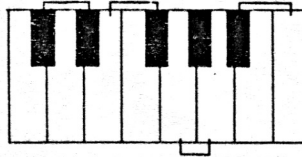

whole steps

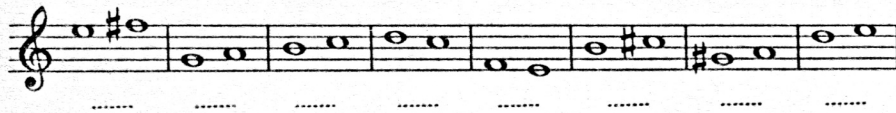

whole steps

In all of these whole steps, we have skipped over the black key in between. Whole steps may also be from black key to white key, white to black, or black to black, just so one key is skipped in between.

In the following, place a "W" in the blank for a whole step and an "H" for a half step:

In the following, write in a second note, a whole step or a half step higher than the first note, as directed:
