

Am I? **Part 1** Inventory

Scoring Your Inventory

Directions for Scoring:

1. Add up the numbers in the circles of each column on pages one to six and place the totals in the circles at the bottom of each column on every page.
2. Transfer the totals from the circles at the bottom of every page to the **Summary Table** below.
3. Find the total score for each column in the **Summary Table** and enter this in the **Total Scores** circles at the bottom of each column.
