

Hi! Please share this with your circles!

Have any old batteries lying around? Have an old printer that says it doesn't have enough ink but the ink costs more than the printer? Have some old hard drives from the 90s? Come and drop them off at Neighbourlink North York's Bread and Batteries Electronics Recycling Event at Earl Haig Secondary School (100 Princess Ave, North York, ON M2N 3R7) on Saturday August 21 from 10am to 6pm! While you're at it, donate a non-perishable item to our food bank as well!

In partnership with the Electronics Recycling Association of Canada, there will also be a data shredder! Watch your old hard drives be shredded!

The following are accepted items:

ELECTRONICS

- * Laptops/Computers/PCs
- * Monitors
- * Docking stations
- * Parts (motherboards, hard drives)
- * Keyboards, mice, wires/cables
