Fountain School of the Performing Arts new audition initiative.

For the first time this year, graduating high school students interested in studying acting at Dalhousie will now have the opportunity to audition for the chance to secure their spot in the program directly out of high school. To celebrate this initiative we're doing a tour starting in Halifax (Apr 13) and passing through Charlottetown (Apr 15), Saint John (Apr 16) and finishing in Toronto (Apr 23). Audition venues are provided when students sign up.

All interested students should visit the web page below that details all the requirements:
