Dear Graduates,

Please consider this exciting summer opportunity, which will allow you to earn money towards your post-secondary education costs while also making a positive impact in your community.

The Canada Student Service Grant (CSSG) in partnership with WE will allow qualified students to earn between \$1000 and \$5000 towards their post-secondary education costs by completing volunteer or service work in their communities. Please note that this grant can supplement the Canada Emergency Student Benefit (CESB), where students receive \$1250 monthly.

To qualify, students must be enrolled to attend an accredited post-secondary institution such as a college, university or Indigenous learning institution for September 2020.

Please see the attached flyer for more information.

If you would like to apply, please email Ambeika.Sukhram@tdsb.on.ca with the title "CSSG Opportunity" for more information on the application process and **be sure to state the TDSB school you are attending.**

You are encouraged to apply as soon as possible, as we are only able to accept a limited number of students at this time.
